TRANSACTION PROCEDURES

- 01** Complete KYC and client verification.
- 02** Buyer and Seller will sign all initial documents such as the FCO and then the full SPA thereafter.
- 03** A representative of the Seller side must be present throughout the entire transaction. Duration is approximately 72 hours.
- 04** Upon arrival at the destination airport, the Seller's representative will be present for the handover. AULM then assumes full responsibility for customs clearance, security handling via Transguard, and delivery to the designated refinery.
- 05** An independent assay will be conducted at the refinery to determine final weight and purity. The assay report will be reviewed with the Seller's representative at AULM's office upon completion.
- 06** Pricing will be finalized based on the confirmed assay result and final weight.
- 07** A Final Purchase Agreement reflecting the final assay weight and agreed price will be prepared and signed on-site at AULM's office. A copy will be sent to the Seller's registered email address.
- 08** Payment will be made Bank to Bank via SWIFT MT103 based on the Final Purchase Agreement.
- 09** Upon Seller's confirmation of funds received, a Payment Receipt will be issued and signed by both parties. Transaction complete.

GOLD BUYING PROCEDURES

DOCUMENTS PRIOR TO DEPARTURE

Seller will provide Buyer with the following documents before the product leaves country of origin:

- Proof of Ownership
- Certificate of Origin
- Tax Clearance Certificate
- Export Permit
- AWB Copy
- Commercial Invoices

RESPONSIBILITY

Seller is responsible for freight, insurance and delivery DPU up to destination airport.
